TENANT INSURANCE

Prior to receiving the keys to your new apartment, you will be required to provide proof of tenant insurance.

WHAT IT IS

Many tenants believe that the landlord's insurance policy will protect their personal belongings in the event of a claim, but this is **NOT** the case. A tenant insurance policy is needed to protect you and your belongings in the event of an accident or occurrence, and to protect you against any damage you may cause, so you can breathe easy, even when you're not home.

ENSURE PEACE OF MIND

As a Devon Properties tenant, it is mandatory to maintain a tenant insurance policy. This policy requirement secures and protects what's most important to you and your family. You can rest assured knowing you will be protected.

YOUR PROTECTION MATTERS

We've partnered with APOLLO Insurance to offer our residents a comprehensive tenant's insurance policy. Our partnership gives you access to exclusive discounted rates. Purchase online in minutes.

Their policy includes:

- ✓ PERSONAL PROPERTY
- ✓ PERSONAL LIABILITY
- ✓ ADDITIONAL LIVING EXPENSES
- ✓ AND MUCH MORE!

Welcome to energy efficient living with Enerpro Systems

We are pleased to let you know that you will be living in one of the most energy conscience and energy efficient buildings in your area. Brio Apartments is taking advantage of Enerpro Systems' integrated Energy Management System (iEMS). You may be surprised to learn that the occupants of buildings with in-suite meters typically consume 30 to 50% less than un-metered buildings which translates into a significant reduction in water and greenhouse gases that we have helped keep out of our atmosphere.

The iEMS for Brio Apartments includes metering and billing services for the hot water and cold water that you use in your specific unit. This means that you only pay for the hot water and cold water that you directly use, allowing you to take steps to reduce your costs. iEMS measures all the hot water and cold water consumed within each unit and your bill will be calculated based on the amount you consume in direct proportion to the costs associated with hot water and cold water.

Our compliance with standards

Every device installed for the purposes of measuring consumption complies with various national and international standards. As such, Enerpro Systems does not take a position with respect to the accuracy of the meters. It is critical that we remain impartial managers of this process. In the unlikely event that the accuracy of a meter is questioned, a dispute resolution policy is available for your review.

Our commitment to service and environmental protection

On the next page, we provide details on how to set up your billing services account with Enerpro Systems. We are committed to providing a high level of customer service as well as helping you save money and protecting our natural environment. Please visit our website at www.enerprosystems.com to learn more about how we are working to create a more energy efficient world. We look forward to serving you.

Sincerely,

Geoff Mulligan

I hereby represent that I am authorized to submit this application on behalf of the Tenant and warrant that the representations contained herein are true. The Tenant hereby makes application for a billing services account and understands they will be billed for hot water and cold water supplied to their unit (the "Utilities") and a fee to administer the account. Charges for hot water will be billed at the BC Hydro residential electricity rate for heating the water and at the District of Saanich's metered water and sewer rates for the water. Charges for cold water will be billed at the District of Saanich's metered water and sewer rates for the water. The Tenant understands and agrees that Enerpro does not supply the Utilities or service the mechanical equipment in the building and the costs associated with the Utilities are invoiced to the Tenant on behalf of the Building's Landlord. The Tenant agrees to net 25-days terms of sale and acknowledges payments are due based on the "Pay By" date shown on each bill. If payments are received after this date, Enerpro will charge 1.5% per month on unpaid amounts of \$30 or more (when compounded monthly, 1.5% equals 19.6% per year). (Subject to revision). The Tenant agrees to notify Enerpro when their tenancy ends in the unit # noted above. The Tenant provides authority to the Management Company/Landlord to deduct the billing services account's final balance from the security deposit held by the Management Company/Landlord. In order to accurately meter and report to the Building's Management Company/Landlord the consumption of utilities, Enerpro collects and records the name and address of an account holder, the consumption of metered utilities and associated costs that are included on your account statements, and the payment status of accounts. The Tenant hereby gives consent for Enerpro to share this information with the Building's Landlord and/or the Management Company.

5. LIQUIDATED DAMAGES: If the Tenant ends the fixed term tenancy before the original term as set out in the Agreement or if the Tenant is in breach of the Act or a material term of this Agreement, causing the Landlord to terminate the tenancy before the agreed end of the original fixed term or any subsequent fixed term (the "Early Termination"), the Landlord may treat this Agreement as being at an end. In such an event, the Tenant agrees to pay \$ 3195 to the Landlord as liquidated damages, and not as a penalty, to cover the Landlord's cost of re-renting the Rental Unit and must be paid in addition to any other amounts owed by the Tenant (such as but not limited to unpaid rent or for damage to the Rental Unit and/or residential premises). The liquidated damages amount is an agreed genuine and reasonable pre-estimate of the Landlord's administrative costs of advertising and re-renting the Rental Unit as a result of the Early Termination. Payment of liquidated damages does not preclude the Landlord from exercising any further right to recovering other damages or remedies from the Tenant.

6. RENT: The Tenant shall pay the rent to the Landlord in advance on or before the first day of each month.

Basic Living Space	\$	3195	
Other	\$	0	() Specify
TOTAL	\$	3195	

Subject to Clause 13, Additional Occupants, the Tenant agrees that for each additional occupant in the rental unit, not named in Clause 2 above, the rent will increase by \$ 100 per month, effective from the date the additional occupant occupies the rental unit. Acceptance by the Landlord of any additional occupant does not change this tenancy agreement or create a new tenancy.

7. SECURITY DEPOSIT AND PET DAMAGE DEPOSIT:

A Security Deposit in advance in the amount of \$ 1597.5 paid on March 24, 2026. E-Transfer
A Pet Damage Deposit in the amount of \$ 1597.5 paid on March 24, 2026. E-Transfer

- 1) The Landlord agrees
 - (a) that the security deposit and pet damage deposit must each not exceed one half of the monthly rent payable for the rental unit.
 - (b) to keep the security deposit and pet damage deposit during the tenancy and pay interest on it in accordance with the regulation, and
 - (c) to repay the security deposit and interest to the Tenant within 15 days of the end of the tenancy agreement, unless
 - (i) the Tenant agrees in writing to allow the Landlord to keep an amount as payment for unpaid rent or damage, or
 - (ii) the Landlord applies for arbitration under the Act within 15 days of the end of the tenancy agreement to claim some or all of the security deposit or pet damage deposit.
- 2) The 15 days period starts on the later of
 - (a) the date the tenancy ends, or
 - (b) the date the Landlord receives the Tenant's forwarding address in writing.
- 3) If the Landlord does not comply with subsection 1) the Landlord
 - (a) may not make a claim against the security deposit, or pet damage deposit
 - (b) must pay the Tenant double the amount of the security deposit, pet damage deposit, or both
- 4) The Tenant may agree to use the security deposit and interest as rent only if the Landlord gives written consent.

8. CONDITION INSPECTIONS. In accordance with sections 23 and 35 of the Act and Part 3 of the regulation, the Landlord and Tenant must inspect the condition of the rental unit together when the Tenant is entitled to possession, when the Tenant starts keeping a pet during the tenancy, if a condition inspection was not completed at the start of the tenancy, and at the end of the tenancy. The Landlord and Tenant may agree on a different day for the condition inspection. The right of the Tenant or the Landlord to claim against a security deposit or a pet damage deposit, or both, for damage to residential property is extinguished if that party does not comply with sections 24 and 36 of the Act.

9. PAYMENT OF RENT. Rent must be received by the Landlord on or before the first calendar day of each month by way of electronic rent payment, unless the parties agree in advance in writing on a different date and/or by a different means. The Tenant must pay rent on time, unless the Tenant is permitted under the Act to deduct from the rent. If the rent is unpaid, the Landlord may issue a notice to end tenancy to the Tenant, which may take effect not earlier than 10 days after the date the Tenant receives the notice. The Landlord must not take away or make the Tenant pay extra for any service that is already included in the rent, unless a reduction is made under section 27 (2) of the Act.

10. ARREARS. Late payment returned, or non-sufficient funds (N.S.F.) cheques, are subject to an administrative fee of not more than \$25.00 each, plus the amount of any service fees charged by a financial institution to the Landlord. Although these fees are payable by the Tenant to the Landlord, the failure to pay the rent on the due date is a breach of a material term of this tenancy agreement. The obligation of the Tenant under this tenancy agreement and by law requires the rent to be paid on the date that it is due. For example, an excuse that the Tenant does not have the money or will not have the money until a later date is not an acceptable excuse in law.

11. UTILITIES PAYMENT. Utilities that are not included in the rent or are not paid to the Landlord are the responsibility of the Tenant who must apply for hook up and must maintain current payment of the utility account. The discontinuation of utility service resulting from the Tenant's cancellation or failure to maintain payment of his utility account is a breach of a material term of this tenancy agreement. The Landlord has the right to end the tenancy if the Tenant fails to correct the breach within a reasonable time after receiving written notice to do so. Any utilities charges to be paid to the Landlord that remain unpaid more than 30 days after the Tenant receives a written demand for payment will be treated as unpaid rent and the Landlord may issue a Notice to End Tenancy.

12. RENT INCREASES. Once a year the Landlord may increase the rent for the existing Tenant. The Landlord may only increase the rent 12 months after the date that the existing rent was established with the Tenant or 12 months after the date of the last legal rent increase for the Tenant, even if there is a new Landlord or a new Tenant by way of an assignment. The Landlord must use the approved Notice of Rent Increase form available from any Residential Tenancy office or Government Agent. The Landlord must give the Tenant 3 whole months notice, in writing, of a rent increase. For example, if the rent is due on the 1st of the month and the Tenant is given notice any time in January, including January 1st, there must be 3 whole months before the increase begins. In this example, the months are February, March and April, so the increase would begin on May 1st. The Landlord may increase the rent only in the amount set out by the regulation. If the Tenant thinks the rent increase is more than is allowed by the regulation, the Tenant may talk to the Landlord or contact the Residential Tenancy office for assistance. Either the Landlord or the Tenant may obtain the percentage amount prescribed for a rent increase from the Residential Tenancy office. The Landlord and Tenant may agree in writing to a rent increase greater than the percentage amount permitted by the regulation.

13. ADDITIONAL OCCUPANTS. No person, other than those listed in clause 2 above, may occupy the rental unit. A person not listed in clause 2 above who resides in the rental unit for a period in excess of 2 weeks in any calendar year will be considered to be occupying the rental unit contrary to this tenancy agreement and without right or permission of the Landlord. This person will be considered a trespasser. A Tenant anticipating an additional person to occupy the rental unit must promptly apply in writing for permission from the Landlord for such permission to become an approved occupant. Failure to apply and obtain the necessary approval of the Landlord in writing is a breach of a material term of this tenancy agreement. The Landlord may at his option give notice to the Tenant to immediately correct the breach. If the Tenant fails to correct the breach within a reasonable time after having been given written notice by the Landlord, the Landlord has the right to end the tenancy.

14. USE OF RENTAL UNIT. The Tenant and his guest must use the rental unit for private residential purposes only and not for any illegal, unlawful commercial or business purposes. No public meeting or assemblies may be held in the rental unit. No business or commercial advertising may be placed on or at the rental unit or the residential property. When the Landlord supplies window coverings, the Tenant's drapes and curtains may not be used without the Landlord's prior written consent. The Tenant will not hang or store anything in or on the windows, balconies or other areas of the building, suite or the residential property which would interfere with the uniform appearance of the property. The Tenant will not make or cause any structure alteration to be made to the rental unit or residential property. Painting, papering or decorating of the rental unit or residential property will be done only with the Landlord's prior written consent and with Landlord approved colours. Hooks, nails, tapes or other devices for hanging pictures or plants or for affixing anything to the rental unit or residential property will be of a type approved by the Landlord and used only with the Landlord's prior written consent. The Tenant may not install a washer, dryer, dishwasher or similar equipment without the Landlord's prior written consent. Any appliance or equipment supplied by the Landlord must not be repaired or removed without the Landlord's prior written consent. Motor vehicle or other repairs must not be done in the rental unit or on the residential property.

15. CARPETS AND WINDOW COVERINGS. The Tenant agrees that at the end of this tenancy agreement, for whatever reason, the Tenant must pay the Landlord any costs associated with the professional cleaning of any carpets, drapes and window coverings supplied by the Landlord.

16. MOVING. The Tenant's property must be moved in or out of the residential property through designated doors, at the risk of the Tenant. The Tenant will be liable for any costs of moving, including any costs resulting from injury, or from damage to the Tenant's property, the residential property, or the rental unit.

If the Tenant requests and the Landlord agrees to a move to a different rental unit within the residential property, the Landlord may charge the Tenant the greater of \$15 or 3% of the rent in the Tenant's new rental unit as a one-time moving fee.

17. ASSIGN OR SUBLET. The Tenant may assign or sublet the rental unit to another person with the written consent of the Landlord. If this tenancy agreement is for a fixed length of 6 months or more, the Landlord must not unreasonably withhold consent. Under an assignment a new Tenant must assume all of the rights and obligations under the existing tenancy agreement, at the same rent. The Landlord must not charge a fee or receive a benefit, directly or indirectly, for giving this consent. If a Landlord unreasonably withholds consent to assign or sublet or charges a fee, the Tenant may apply for arbitration under the Act.

18. CONDUCT. In order to promote the safety, welfare, enjoyment and comfort of other occupants and Tenants of the residential property and the Landlord, the Tenant or Tenant's guest must not disturb, harass, or annoy another occupant of the residential property, the Landlord or a neighbour. In addition, noise or behaviour, which in the reasonable opinion of the Landlord may disturb the comfort of any occupant of the residential property or other person, must not be made by the Tenant or the Tenant's guest, nor must any noise be repeated or persisted after a request to discontinue such noise or behaviour has been made by the Landlord. The Tenant or the Tenant's guest must not cause or allow loud conversation or noise to disturb the quiet enjoyment of another occupant of the residential property or other person at any time, and in particular between the hours of 10:00 p.m. and 9:00 a.m.

If the Tenant or the Tenant's guest causes another Tenant to vacate his rental unit because of such noise or other disturbance, harassment or annoyance or because of illegal activity by the Tenant or the Tenant's guest, the Tenant must indemnify and save harmless the Landlord for all costs, losses, damages or expenses caused thereby. The Landlord may end the tenancy pursuant to the Act as one of his remedies.

19. PETS. Unless specifically permitted in writing in advance by the Landlord, the Tenant must not keep or allow on the residential property, any pet, including a dog, cat, reptile or exotic animal, domestic or wild, fur bearing or otherwise. Where the Landlord has given permission in advance in writing, the Tenant must ensure that the pet does not disturb any person in the residential property or neighbouring property, and further the Tenant must ensure that no damage occurs to the rental unit or residential property as a result of having or keeping the pet. This is a material term of this tenancy agreement. If any damage occurs caused by the pet the Tenant will be liable for such damage and will pay the Landlord sufficient monies to compensate the Landlord in respect of the damages, expenses, legal fees, or any other reasonable costs incurred by the Landlord. Further, if the Landlord gives notice to the Tenant to correct any breach, and the Tenant fails to comply within a reasonable time, the Landlord has a right to end the tenancy along with making the appropriate claims against the Tenant. Having regard to the potential noise factors, health requirements and mess, the Tenant will not encourage or feed wild bird or animals at or near the rental unit or the residential property. Any term in this tenancy agreement that prohibits, or restricts the size of a pet or that governs the Tenant's obligations regarding the keeping of a pet on the residential property is subject to the rights and restrictions under the Guide Animal Act.

20. OCCUPANTS AND INVITED GUESTS. The Landlord must not stop the Tenant from having guests under reasonable circumstances in the rental unit. The Landlord must not impose restrictions on guests and must not require or accept any extra charge for daytime visits or overnight accommodation of guests. If the number of occupants in the rental unit is unreasonable, the Landlord may discuss the issue with the Tenant and may serve a notice to end a tenancy. Disputes regarding the notice may be resolved through arbitration under the Act.

21. STORAGE. All luggage, vehicles, or other property of the Tenant, stored on the residential property must be kept in safe condition in proper storage areas and will be at the Tenant's risk for loss, theft and damage from any cause whatsoever. Only vehicles listed in the tenancy application (and no other vehicles) may be parked but not stored on the residential property. Parking areas are to be occupied by vehicles which are in operating condition, licensed and insured. No Tenant or guest may store any vehicle which is, for example, on blocks or not in operating condition. Any bicycles are to be stored in the designated areas of the rental property only. No bike may be kept, left or stored in a rental unit, on a balcony, or in hallways of the rental property. No bike may be moved through lobbies, hallways, or placed in elevators. The Tenant is responsible for any claims, expenses, damages of any nature as a result of the Tenant's failure to comply with the terms of this clause. The Tenant must not keep or store any hazardous or dangerous items in a rental unit or on the residential property.

22. VEHICLE REPAIRS. No vehicle repairs or oil changes, etc. may be carried out in the rental unit or on the residential property.

23. WATERBEDS OR LIQUID FILLED ITEMS. The Tenant must not bring into the rental unit or on the residential property any furniture, appliance, or other property that can be considered to be liquid filled, without the Landlord's prior written consent. The Tenant must obtain the prior written consent of the Landlord if the Tenant intends to install a waterbed in the rental unit. The Landlord's consent will be subject to the Tenant providing the Landlord with written evidence that the Tenant has in place Tenant liability insurance with a minimum coverage of \$1,000,000.

24. WASTE MANAGEMENT. Garbage, waste boxes, or papers must not be placed or left in a hallway, parking area, driveway, patio, or other common area of the residential property, except those areas designated for disposal. All garbage must be drained, bagged or wrapped, and tied securely before being placed in a chute or approved receptacle. Spillage must be cleaned up immediately by the person responsible. Any large item to be discarded, such as furniture, must not be abandoned or placed in garbage collection areas, but must be removed from the residential property by the Tenant at the Tenant's expense. The Tenant must comply with the residential property recycling methods.

25. COMMON AREAS. The Tenant must not misuse or damage common areas of the residential property, but must use them prudently and safely and must conform to all notices, rules and/or regulations posted on or about the residential property concerning the use of common areas, including restriction of their use to Tenants only and restriction on use by children. All such use will be at the sole risk of the Tenant or the Tenant's guests.

26. OUTSIDE. A rug, mop, rag or duster must not be shaken out of a window, door, or in a common area of the residential property. Nothing may be thrown from, or placed on, hung on, or affixed to the inside or outside of a window, door, balcony, or an exterior part of the residential property. An awning, antenna, satellite dish, cable or wire must not be installed on the residential property. A barbecue must not be used on or in the rental unit, the residential property, or stored on a balcony without prior written consent of the Landlord.

27. REPAIRS. Landlord's Obligations: The Landlord must provide and maintain the residential property in a reasonable state of decoration and repair, suitable for occupation by a Tenant. The Landlord must comply with health, safety and housing standards required by law. If the Landlord is required to make a repair to comply with the above obligations, the Tenant may discuss it with the Landlord. If the Landlord refuses to make the repair, the Tenant may seek an arbitrator's order under the Act for the completion and costs of repair.

Tenant's Obligation: The Tenant must maintain reasonable health, cleanliness and sanitary standards throughout the rental unit and the other residential property to which the Tenant has access. The Tenant must take the necessary steps to repair damage to the residential property caused by the actions or neglect of the Tenant or a person permitted on the residential property by the Tenant. The Tenant is not responsible for repairs for reasonable wear and tear to the residential property. If the Tenant does not comply with the above obligations within a reasonable time, the Landlord may discuss the matter with the Tenant and may seek a monetary order through arbitration under the Act for the cost of repairs, serve a notice to end a tenancy, or both.

Emergency Repairs: The Landlord must post and maintain in a conspicuous place on the residential property, or give to the Tenant in writing, the name and telephone number of the designated person to contact for emergency repairs. If emergency repairs are required, the Tenant must make at least two attempts to telephone the designated contact person, and then give the Landlord reasonable time to complete the repairs. If the emergency repairs are still required, the Tenant may undertake the repairs, and claim reimbursement from the Landlord, provided a statement of account and receipts are given to the Landlord. If the Landlord does not reimburse the Tenant as required, the Tenant may deduct the cost from rent. The Landlord may take over completion of the emergency repairs at any time. Emergency repairs must be urgent and necessary for the health and safety of persons or preservation or use of the residential property and are limited to repairing major leaks in pipes or the roof, damaged or blocked water or sewer pipes or plumbing fixtures, the primary heating system, damaged or defective locks that give access to a rental unit, or the electrical systems.

28. LIABILITY AND INSURANCE. The Tenant agrees to carry sufficient insurance to cover his property against loss or damage from any cause and for third party liability and the Tenant agrees that the Landlord will not be responsible for any loss or damage to the Tenant's property. The Tenant will be responsible for any claim, expense or damage resulting from the Tenant's failure to comply with the terms of this agreement and this responsibility will survive the ending of this agreement.

The Tenant will not do, or permit to be done anything that may void the Landlord's insurance covering the residential property or rental unit, or that may cause the Landlord's insurance premiums to be increased. Unless the Landlord is in breach of a lawful duty, the Tenant releases the Landlord from any liability in connection with the use by the Tenant or the Tenant's guest of the rental unit or residential property.

29. LOCKS. The Landlord must not change the locks or other means of access to residential property unless the Landlord provides each Tenant with new keys or other means of access to the residential property. The Landlord must not change locks or other means of access to a rental unit unless the Tenant agrees and is given new keys. The Tenant must not change locks or other means of access to common areas of residential property, unless the Landlord consents to the change, or his or her rental unit, unless the Landlord consents to, or an arbitrator has ordered, the change.

The door to the Tenant's rental unit must be kept closed, and in the Tenant's absence locked. Subject to the Act no lock or security device, such as a door chain or alarm system, may be installed or changed or altered, and extra keys must not be made for any lock in the residential property or rental unit, except with the prior written consent of the Landlord. The entry to any part of the residential property or rental unit by unauthorized possession of a key or otherwise by any person will be treated by the Landlord as illegal activity for which the Landlord may issue a Notice to End Tenancy. The Tenant will be responsible for any cost incurred to regain entrance to the residential property or rental unit including any damage and all necessary repairs, in the event the Tenant locks himself out of the residential property or rental unit.

30. THE LANDLORD'S ENTRY INTO RENTAL UNIT. For the duration of this tenancy agreement, the rental unit is the Tenant's home and the Tenant is entitled to quiet enjoyment, reasonable privacy, freedom from unreasonable disturbance, and exclusive use of the rental unit. The Landlord may enter the rental unit only if one of the following applies:

- (a) at least 24 hours and not more than 30 days before the entry, the Landlord gives the Tenant a written notice which states the purpose for entering, which must be reasonable, and the date and the time of the entry, which must be between 8 a.m. and 9 p.m. unless the Tenant agrees otherwise;
- (b) there is an emergency and the entry is necessary to protect life or property;
- (c) the Tenant gives the Landlord permission to enter at the time of entry or not more than 30 days before the entry;
- (d) the Tenant has abandoned the rental unit;

- (e) the Landlord has an order or an arbitrator or court saying the Landlord may enter the rental unit;
(f) the Landlord is providing housekeeping or related services and the entry is for that purpose and at a reasonable time.
The Landlord may inspect the rental unit monthly in accordance with (a).

If a Landlord enters or is likely to enter the rental unit illegally, the Tenant may apply for an arbitrator's order under the Act, to change the locks, keys or other means of access to the rental unit and prohibit the Landlord from obtaining entry into the rental unit. At the end of the tenancy, the Tenant must give the key to the rental unit to the Landlord.

31. ENDING THE TENANCY. The Tenant may end a monthly, weekly or other periodic tenancy by giving the Landlord at least one month's written notice. A notice given the day before the rent is due in a given month ends the tenancy at the end of the following month. For example, if the Tenant wants to move at the end of May, the Tenant must make sure the Landlord receives written notice on or before April 30th.

This notice must be in writing and must include the address of the rental unit, include the date the tenancy is to end, be signed and dated by the Tenant, and include the specific grounds for ending the tenancy, if the Tenant is ending a tenancy because the Landlord has breached a material term of the tenancy. If this is a fixed term tenancy and the agreement does not require the Tenant to vacate at the end of the tenancy, the agreement is renewed as a monthly tenancy on the same terms until the Tenant gives notice to end a tenancy as required under the Act. The Landlord may end the tenancy only for the reasons and only in the manner set out in the Act and the Landlord must use the approved notice to end a tenancy form available from the Residential Tenancy office. The Landlord and Tenant may mutually agree in writing to end this tenancy agreement at any time.

The Tenant must vacate the residential property by 1 p.m. on the day the tenancy ends, unless the Landlord and Tenant otherwise agree.

The Tenant understands and agrees that the rental unit may be shown to possible new Tenants in accordance with the Act. The Tenant agrees to fully co-operate in the interest of incoming Tenants.

32. OVERHOLDING. If the Tenant remains in possession of the rental unit after the last day of the term as set out in this tenancy agreement, or after any other lawful end of the tenancy, the Landlord may claim for damages against the Tenant and the Tenant will be liable for damages suffered by the Landlord. The Landlord may apply for an Order of Possession or a similar order from a court or an arbitrator and when such an order has been obtained, eviction by a bailiff may follow. In addition the Landlord and the incoming Tenant have a civil right of action against the Tenant as a result of the Tenant's failure to leave the rental unit as required by law.

33. APPLICATION OF THE RESIDENTIAL TENANCY ACT. The terms of this tenancy agreement and any changes or additions to the terms may not contradict or change any right or obligation under the Act or a regulation made under the Act, or any standard term. If a term of this tenancy agreement does contradict or change such a right, obligation or standard term, the term of the tenancy agreement is void. Any change or addition to this tenancy agreement must be agreed to in writing and initialed by both the Landlord and the Tenant. If a change is not agreed to in writing, is not initialed by both the Landlord and the Tenant or is unconscionable, it is not enforceable. The requirement for agreement to change this tenancy agreement does not apply to a rent increase given in accordance with the Act, a withdrawal of, or a restriction on, a service or facility in accordance with the Act, or a term in respect of which a Landlord or Tenant has obtained an arbitrator's order that the agreement of the other is not required.

34. LANDLORD TO GIVE TENANCY AGREEMENT TO TENANT. The Landlord must give the Tenant a copy of this agreement promptly, and in any event within 21 days of entering into the agreement.

35. ARBITRATION OF DISPUTES. Either the Tenant or the Landlord has the right to apply for arbitration to resolve a dispute, as provided under the Act.

36. SERVICE OF NOTICES. The Tenant must accept any notice, order, process or document required or permitted to be given, when served in accordance with the Act.

37. FORM K, NOTICE OF TENANT'S RESPONSIBILITIES. Where the rental unit is a strata lot, the Tenant agrees to complete the Form K, Notice of Tenant's Responsibilities, prior to possession and will at all times during this tenancy comply with the provisions of the Strata Property Act as it affects him as a Tenant and occupier of the strata lot. The Tenant agrees to abide by the provisions of the bylaws and the rules and regulations of the Strata Corporation as adopted from time to time.

38. CONTRACTUAL. If more than one Tenant signs this tenancy agreement, each Tenant's obligations are joint and several. If more than one Landlord signs this tenancy agreement each Landlord's obligations are joint and several. A breach of this tenancy agreement by the Tenant may give the Landlord the right to end the tenancy in accordance with the Act and thus regain vacant possession of the rental unit. The singular of any word includes the plural and vice versa. The use of any term is generally applicable to any gender and, where applicable, to a corporation.

39. ADDENDUM FOR SPECIAL TERMS AND CONDITIONS. Attached to this tenancy agreement, there is ☒ is not ☐ an Addendum.
